

# GSSB Action Register

Updated 05 June 2025

## For GSSB information

<b>Subject</b>	GSSB action points
<b>Description</b>	This document lists all action points agreed upon during public sessions of the GSSB as well as in meetings of the GSSB with other standard setters.

This document has been prepared by the GRI Standards Division and is made available to observers at meetings of the Global Sustainability Standards Board (GSSB). It does not represent an official position of the GSSB. Board positions are set out in the GRI Sustainability Reporting Standards. The GSSB is the independent standard setting body of GRI. For more information visit [www.globalreporting.org](http://www.globalreporting.org).

# GSSB action points
